

CARE TRANSITIONS: COMMUNITY ENGAGEMENT

Wednesday
September 10, 2014

Statewide One Day Conference

Kalahari Resort
WI Dells, WI

Workshop runs from:
8:30am to 3:30pm

Objectives:

At the end of this educational session participants will be able to:

- » Rethink methods and tools for communicating.
- » Assist individuals and families to be more involved with their health care decisions.
- » Engage community partners to create local solutions.
- » Provide networking opportunities using active coalitions.

Target Audience:

Quality staff, discharge planning staff, social workers, clinicians and other staff from hospitals, pharmacists, long term care facilities, home health and personal care agencies, county health departments, public health, aging and disability resource centers, aging offices, and managed long term care programs.

Participants will be aligned with potential coalition partners within your geographical location to promote information sharing, initiate community partnership development and identify ways to implement strategies shared today. Attendees are encouraged to reach out and recruit other stakeholders within your health and long term care community to participate in this workshop to continue your community's journey to better health care.
