

**Medicare Readmission Penalties by Hospital (Year 2).**

Medicare will begin applying these readmissions penalties to reimbursements from Oct. 1, 2013, through Sept. 30, 2014. This chart shows the first year of penalties, which are being applied from Oct. 1, 2012, through Sept. 30, 2013; the penalties for the upcoming year; and the annual change. Maryland hospitals were not penalized because the state has a unique reimbursement arrangement with Medicare. Also exempt are certain cancer hospitals, critical access hospitals as well as hospitals dedicated to psychiatry, rehabilitation, long-term care and veterans. In addition, hospitals with fewer than 25 cases in each of three categories -- heart failure, heart attack and pneumonia -- are exempt from the penalties. Medicare calculated penalties for some hospitals that are not on its list of currently registered hospitals. Those hospitals are noted as "not listed." and some may no longer be open.
