Dear Residential Providers,

This letter is being sent as a follow up to an email sent to all residential providers on October 14, 2014 regarding ContinuUs' residential rate alignment process.

You are receiving this letter because you may be impacted by our proposed residential rate alignment.

We are holding meetings for residential providers who may be impacted to explain the process we intend to follow in reducing some member rates. This reduction would only impact members that we currently pay 10% or more above our assessed rate. Please plan to attend one of the meetings.

Scheduled meetings are:

North	South	East
