

# WELCOME TO THE **HALL** of *Heroes*

The world appreciates all you are doing.  
Our community appreciates all you are doing.  
Your teammates appreciate all you are doing.  
Your family appreciates all you are doing.  
Our residents appreciate all you are doing.  
Their families appreciate all you are doing.  
We appreciate all you are doing.

We need each other. We know it. Now let's show it! It's time to put that appreciation in black and white. We need these words to strengthen and support us right now. Here's how you can help spread appreciation to each and every team member here!

Take a hero and fill in your name; hang it on this wall!

Now, look at the wall and find three other heroes.

Write something you appreciate about them on their cutouts.

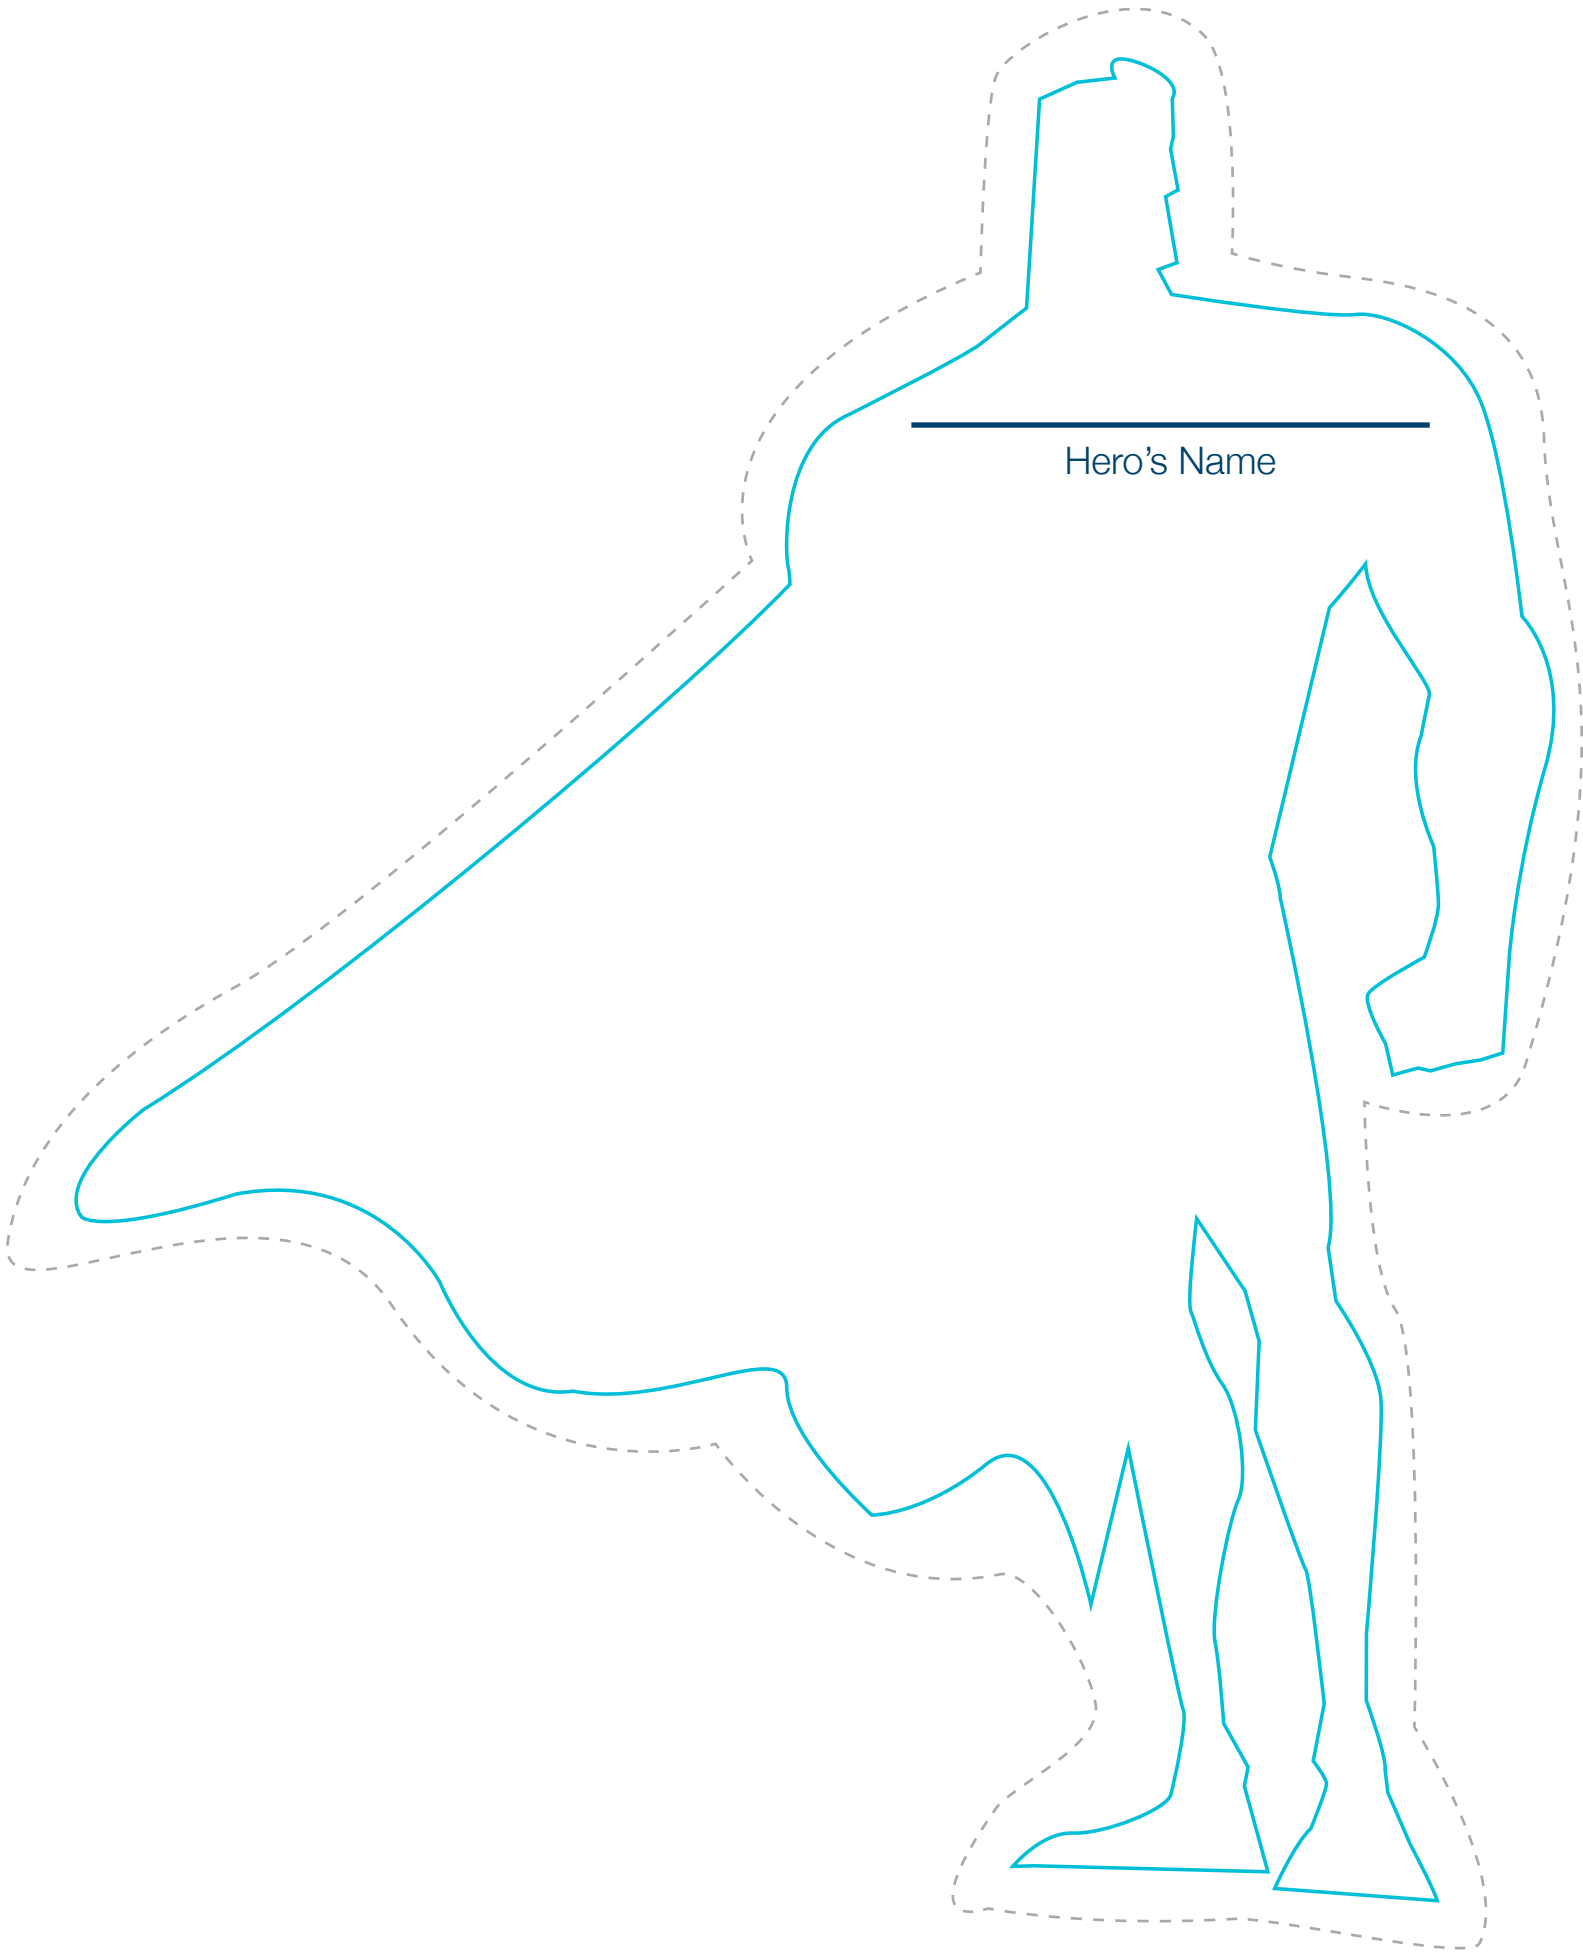

It can be one word or a whole sentence!

Next, take this mindset of appreciation back to work with you.

Tell people what you appreciate about them!
